

ANSI National Accreditation Board

SCOPE OF ACCREDITATION TO: ISO/IEC 17025:2017

ANAB 17025:2017 Forensic Science Testing and Calibration Laboratories Accreditation Requirements

Gateway Analytical, LLC

2009 Kramer Road
Gibsonia, Pennsylvania 15044

FORENSIC TESTING

Valid to: August 31, 2021

Certificate Number: FT-0172

Discipline: Gunshot Residue			
Component/Parameter or Characteristic Tested	Test Method	Items Tested	Key Equipment or Technology
Qualitative Determination	GAN-033: Automated SEM-EDS Analysis of Gunshot Residue	Gunshot Residue	Scanning Electron Microscopy

Discipline: Materials (Trace)			
Component/Parameter or Characteristic Tested	Test Method	Items Tested	Key Equipment or Technology
Physical Determination	GAN-001: Trace Evidence – Hair Examination	Hair	Compound Light Microscopy
Physical/Chemical Comparison	GAN-001: Trace Evidence – Hair Examination	Hair	Microscopy (Compound Light and Comparison)

Pamela L. Sale
Vice President, Forensics
